

GANK THOD

by rob erickson

somewhere beautiful, 1905 - 1909.

CB	crazy bum
YO	young one
W1	wife one
H1	husband one
H2	husband two
W2	wife two
OO	old one
BT	bartender tony
PP	politician paulie
DJ	doctor jensen
G1	gang one (girls)
G2	gang two (boys)

ACT ONE - in the theater

CB

Well here's where I stalled I'd like to cut the sound too little tonight I have a headache I see the manager out there taking a look taking the five feel like putting a little ginger in my work she's not to be seen that's the way it goes though generally I wonder when she's going to give me that talking part she promised me lawful tired of this part to think that I would have a diploma from the school théorie genetic dramattack!

art art doing a stunt like this for ten and
cakes per say I always heard diplomas
were no good at that that's not neither
here nor their she told me she would
give me a juvenile part over here some
time this season over there and the
season is almost over it'll be over very
soon here and there if the show does
not pull a little stronger these managers
are a lot of hot aerial lists next season
not having anything better than the hot
one I rep I can act I know I can act
away but push traumattack, there's no
matinee girls outside waiting for me
aligned along the wall for the picking
the pickin's good this year.

W1

my job it's too heavy on cover
perspiration what a confounded dream
that rare it did that do that rare it did
that wild I promise now I quit those
damn Mr. Billy Ray rare bits well done
me in.

FRAMING - in the forest

YO

and hast thou slain

G1 + G2

jaaaah raaahstafari

YO

show me emotion, tra la la
come on show me emotion. no like it is
it is really great resumé-wise

ULTRALIGHT - at the office

YO

why do they deny me the job that i
deserve please reserve a table for one
my meat is underdone i have gone for
my gun she shot me in my spine

OO

don't eat the brain. of the mad cow
don't eat the spine of the mad cow, ten
years waiting ten years behind.

PP

i don't fly the ultra-light i don't fly lawn
chairs. i don't fly the ultra-light i don't fly
lawn chairs manufactured fairly.

BT

there's a thing upon my mirror
frighteningly very clever since i never
never never noticed that it wears a
sweater. mornings came and mornings
went with hours hours staring spent until
one day with knife i bent to meet my
friend with knife i bent.

G1

plaid mantis.

BT

my bellum pounds thru sweat i wade
and slowly as i lift the blade my friend
he turns to death evade thru flamed
orange eyes contact is made.

G2

plaid mantis.

PP

i don't fly the ultra-light. i don't fly lawn
chairs.

STATUE - in the street

PP

I ought to be taking command of my weight climbing up into this statue is foolish. finally i have made it to the top, one laaaasssstuh step I'm tired out. I'll sit down and rest I can say I went clear up into the torch of the goddess of the debris chief liberty anyway so exhausted oh I could sit here the whole week and sleep some Christian on and on, see saw

OO

her smile grew grooming I have known... great scotts stopped way and my what's the matter? Way and mine?

PP

And money falling? Where air? Who? Like to? How all? When? wage me? Follow now how follow my head how will this end? Why my falling is no one calling someone named call, though falling I'm simply to drop hitting an occasional high place oh do i not for get it my pretty fair Insurance policy in my pocket I have no regrets. but I have no regrets matters little I suppose I'd hate to think it just the same I say these dreams are half and half makes a hole to either quit a damn well for greater bits or build a fence around this bed, sleep in the bed time ready to go to read this sudden stop found, when or where matters little I suppose but I do hate to think of it just the same I say these dreams are halfass that either quit dem Welch rebates or else build a fence around this bed oh I'm off will anyone I promise no more. NO! note to self no cheese and rear bits

TRAIN - in the street

PP

All I can run borrow one!

YO

be a stuck stick in the mud for this strike
I'll not wannabe a scab

CB

knock all ten down STRIKE

PP

I'm glad you will try at and will break
this straight strike

CB

slip three on by STRIKE OUT

YO

Well so long Monday OK I understand
electricity I will break your strike, oh a
spare.

CB

i can pick it up i can

YO

oh I forgot how a stop this train oh how
long life slacks vast

CB

they turned off the user stopper

YO

well I knew it never make back her
allies stop the train there's some way
but how Hello, hello?

PP

my mind is to not give up by sakes and
found the strike is not done for

CB

I was a charm forever hiring out any
way in the first place

PP

I can see a grease spot alone for I
guess I'm busted pretty much

YO

why I thought so I'm side for the bounce
back in to the other cars what would
unite us and Dave affected slim. wow
what I would have given to gave could i
swim

H1

don't you believe it not me not well for
rare date for Willie after one has what
was this user Reno won a dream no
more rare dates for me, for Reno or
Willie or Slim or Dave. i quit dem bits.

MATCH - at home

H1

If there is anything I like it is to sit down
after dinner with the evening telegram
and a good cigar and smoke and nod
off

H2

now what's the matter with that match it
won't go out

H1

both both both will well that's funny
shocks

H2

This match has me going

H1

I can blow without will prove for proof
world for wet hear this won't do with
water. not out. yet.

H2

While that is strange it will be stamped
out I just got to extinguish it . confound
it. what is the trouble?

H1

One to water and it won't.

H2

I'm getting scared I can't understand
this affair at all.

H1

loaf it. I must put it out. blow my head
off puff I'll go mad as this keeps up

H2

I surely can smother it out with these
wet blankets and things oh I'm getting
tired of this

H1

Fire fire friend turn in there's a fire up
here quick hurry fire fire fire hurry up
fire oh help fire

H2

Engine engine deemed to toot toot to
two toot toot doing deemed to to tout

H1

Belief is I'm going crazy oh oh someone
please help me put this match out.

H2

To toot toot toot toot to two were on
line quick dingdonger being doing from
exhaustion and save me here dying.

H1

Their it is hurry up played out to putting
out to put out oh I'm mad

H2

oh oh i'm tired.

CB

I knew that cheesecake would make
me dream oh that's fierce cheesecake
no faint he'd known for me and I'll stop
with those rarebits as well

CLONE - in the street

CB

I do love this spring time, I love to stroll
out in the morning on the spring No
wonder the poets go down feeling
birds begin to singing and seeing here
comes a man who is a ringer for me.
me very image, I beg your pardon man
may I have the pleasure your
acquaintance since we so resemble IN
you you let me I am myself I ought to
know myself I am ashamed!

CB + G1 + G2

on me do you claim to be in need I
claim IN me that sit on me I I'm wrong.
me is why I am we are ourselves am us
we are us by a neat. I'm a little mixed I
am ashamed of myself do I see and me
I can buy yes - we are thus knees I'll
explain we are all me of our selves we
are a bunch of five fingers we eat ha
ha ha now is not that a funny dream
(wakes up) though is well to shoot their
bits make one dreams so, Cole, how it
must let me sleep I demand that I sleep
I must permit us to sleep Hello Mary
their help help I'm crazy help but let
myself sleep a little I shall take myself
out of bed (sleeps again) if I don't let
me you can tell me that Dutchman did
not put something in that rare bits last
night besides an illness, well dream that
though I'm gonna get up oh minute a
glass of water I wonder what time it is i
wonder tell me that Dutchman did not
put something in that rare bit last night
besides ale what I dream I must
promise to quit those rare its on the
double double

BET - at the lodge

CB

I thought I'd drop in looksee how you want to grease the lightning it's good

PP

obliged but I'm not bettin'. I've cut it out I'm not gonna get any more I know you mean well no

CB

hello Mary of mine greased lightning runs today and she's 300 to one.

OO

bet all you can on her organic cutter lose yes i am gonna cut her loose!

PP

I've lost so much this season that I've decided to bet no more. I'm done of course thanking you just the same I'll keep off

OO

I have been training Greece lightning this season you know she's quoted at 300 to one and will assuredly win

CB

she going to win for sure I know she can do now but is the price is right?

PP

Yes but she's liable to drop dead now I have decided to keep off for while no track for me.

CB

this is the straight Doctor, good evening. this 300 to one shot Greeced lightning short-term beloware rubber down in for sho sure now

DJ

I know all about that but

PP

just the same, Sr. I'm not bet many more I've quit it for good no serve

CB

I have arrived at 300 to one shot to a grease lightning and she's killing it.

DJ

if there ever was one put all you've got on her

PP

oh no I've quit so more good things for me I've lost enough to last me for some time no thank you understand Greece lightning 301 to one yes sellout yes site yes server yes sir Greece lightning 3021 ((changes mind)) here Sam take this thousand dollar bill across the street put on greese lightning at 300 to one for life once more we adore PLACE show.

BT

She won she won Mr. Jensen

PP

Well lets count it! where a lot has come in last half hot half cold well let's count it with all twenty fingers we have Sam... sam?

BT

No way you think that fur dream from little melted cheese would floor ya euphoria? you decide to quit, i must quit on rear its too it's too strenuous.

WOOD ALCOHOL - at the bar

BT

Confidential and now I made it myself
it's what I call wood alcohol whiskey

OO

Made yourself well hell it's good at that
Tony waging me good, where did you
make it up?

BT

Down the cellar door, I got my little Joe
of wood and water prune juice masher

OO

Well it certainly is good Tony you were
very kind to let me having on that wall
oh all be it. lookit!

BT

Have another

OO

No thanks I think I shall take to hauling
timber hired any way to you doing
much of it no thanks I think I shot to hate
higher anyway you drink much of it hate
to the hall timber, take to the tall timber
now and get sleepy busy.

BT

Come one get busy there

OO

oh well

BT

Teasing teasing I was only teasing you

OO

way down alcohol tasted all right but
well forget it I remember all

BT

I ain't waiting for my car I ain't praying
you packing tight play tight don't you
play with me off do you take me won't
stand for it

OO

oh Only if someone would only take me
home only if I've only I was home

W1

Unknown I am home good but I can
relate to the man who told me last night
rear Bates would hurt enough and I
promise now I quit rear its for good no
more fried geez rabbit

ALLOWANCES - at home

W1

Well here again broke from buying
Christmas presents from friends and
relations no place to sleep in diameter
arrest what led attest what said new
Boeing building and building. I must
then their budget gaps well there's
some for you. I ought to have been
kicked out that day and left and came
out to this cursed state you.

H1

married a dozen women and well I'll go
down now draw my salary for his heart
a week as I ever put to my wives their
till will be at their disposal till and will
we see them with their FAT mits out as
usual

W1

yes bonds fall on the lookout for the
losing my money. how much did you
draw let's see count it again. is it all
their watch he's known holdout some
let's see. still come home straight home

H1

gracious me need go out and get out at
least one the yearly get one dear least
me get one beer.

W1

no not even one the beer have tried
get drunk on us now you come right
now right now. come on give it giving
up the give out the damn parcel out
unveiled unbelt unbuckle. gracious 6 the
rest arrest. Hurry up open up on line
confidently cough up unload unbelt and
unbuckle

H1

I've made my mind to carry my own
money now I'll not done bundle I'll keep
it for myself . load up nothing, i belt up
and buckle up bitches.

W1

I've sworn off before that this time I
mean that I will cut out Welsch rear bits
from now on oh was a terrible dream
oh use of rare bits I quit them now

CORNFOOT - at home

W1

I do believe that's alfalfa going to kill
that corn I believe alfalfa growing to kill
that corn I believe. I can move roots
deep coming whole coming well look at
that. no wonder it paying me so much
mind. can't understand oh dear I'm
frightened some things wrong I never
saw popcorn in such a terrible way,
there's only one thing to do you and
that is dead all out gracious something
wrong oh oh Dr. what is it? what is it?

DJ

I can do nothing just sprinkle with water
daily and grow foot corn.

W1

what is it? what is it?

DJ

It's a corn of the Corn Police a stalk
credit you believe till death it's sprouting
to its worst it's the worst it's the worst
corn ever saw I can do nothing just
sprinkle with water daily and grow foot
corn.

W1

don't cut it off. oh well. so husky. must I
live the rest of my life with this thing, I
might tell myself I can be humiliated like
this and what would they say what
would you what will I ever do you?

DJ

you will panic kernel

OO

But oh no boat boat boat I was
dreaming on here relief and that
knows, confounded the rare bits of my
what an awful dream, those rare its i
quits.

MONEY - in the street

OO

blah here's where I make Santa
ListenDo! Monte Baldwin and that bunch
follow to try an experiment to accept
from me five million dollars just to spend
as you see fit, to do as you do

W2

I thank you Mr. Carneggie I shall do
be my best with that I shall put it to
good use as using. Here's 5 million
dollars we have to spend best we can
do you know it's got me worrying me
about you and me already

H2

aw I wouldn't worry about that we will
get along pretty

W2

dear I'm half crazy about that money
what to do with that I wish I'd never
accepted at all

H2

Please up please don't worry so you
enjoy your health I will help you spend it
mister Darlene

W2

Hello surely no matter, oh we will surely
go madder if he doesn't stop thinking he
does not know what to do with his
money careful

H2

oh what shall I do with that what shall I
do you is raving

W2

playing with dahls why they ever accept
that old money Paul our fellow GEEZ
symbolizes a little child symbol baby

H2

Now Dahlia outspent you this behavior
here

W2

I'm mad and crazy with madness
farewell to reason

H2

I'm in St. Bigboy so look out onto how
issue you at that rosy

W2

We are looking for daylight

H2

come with neon, we will show you a
bunch, a whole room full it.

BT

went crazy 'bout their money worrying
over what to do with it caused it sad
saddest case in a whole thing they're
animals yes!

W2

oh dear had an awful dream of finding
we were both crazy just like idiots

H1

I told you to quit those rare bits.

MISSUS PELOSI - in the forest

H1

chick peas tasting good all round year,
hot sauce dribbles on the bread my
brother leads this cheer

W1

missus pelosi hosts the party in the
plastic garden, turkey runs around the
tracing of my hand. james is in the
jungle call him jim is swatting flies start
swarming on the birthday cake baked
in a birthday land.

YO + G2

water balloon hits a paddling fan in the
age o' no-fat frosting water balloon hits
a paddling fan in the age of the no-fat

H1

clean your paper plates rebellious cups
hold shots of beer we all break the law
i have never seen such little fear.

W1

missus pelosi bribes the sheriff with her
moist dark cups of cake no curfew slew
a few a fly we's at the lake. fresh fish
they feed at night our naked bodies in
the headlights of an offroad alfa
romeoOH rohMAYO and mustard

YO + G1

catfish nibbles the nipples off, down to
the root. catfish nibbles the nipples off,
toot toot.

CHLOROFORMATORIUM

YO

why the boss ever makes such a law I
can't bear to think of poor gramps
being chloroformed.

OO

why can they not understand?

W1

I want to go to my lifelong dahl will do I
cannot live without

OO

Cheer up loved one what must be shall
be, cheer up. I am 63

YO

You wanting well here

BT

It's this old man Jones that is to
succumb. he'll be used up.

W1

all have mercy me do not take my
husband from me

BT

Grab them buck

OO

You call out errors if you take me I shall
keep you busy you'll find

BT

Now here old busy man you might
upcoming we get big

OO

Send me the doctor that's the
gentleman of course you're gonna
force me

BT

Now why not you take your medicine
be good regretted you at any cost
today

OO

might keep the flies off of you one year
doing that I will die being you can bet

BT

you can do you can words can't do it,
señor Fraidey pants

G2

Lookout for the muscular reaction he's a
terror he's going out yes yield to the
fella put the good fight forward

BT

He's gonna Hi Heidi last it's a clinic floor
chloroformatory

G1

He's down and now

OO

You be there I'm so glad of dear what
a terrible arty herbal dream I wish
Claire would not insist so on meat
eating oh the rear dates every night oh
my mercy I'd like to quit those dreams,
I'll quit those rare bits

DRINKS - at the bar

OO

I say you what I'll be out for dollars I
can drink more than a boat be using
you tell you what I'll do for dollars I can
drink more than his thing you, me more!

YO

I'll do you one the one that gets
intoxicated first loses the bet I'll do you
go you, me more!

OO

i say waiter brain bring us long last
thirty beers each eventually get off hold
busy

YO

Say waiter bring us 30 beers each be
beers be your years her hairs can get
off all busy

OO

That's good now hustle laughter water
yerself with 45 quarts of rival whiskey,
double up daffybrain on 12 gallon
Jones a good stout old Randy be a
lively chappy now

YO

Now you're irate talking to the rain
water waiter brain bring us the last 9
barrels of veil fury sherry up.

OO

Well I'll lose lost I guess, got a hose?
got a hose connected to any anywhere

YO

That's good good thing you fix up by
bathing beers somewhere in a fix up
bath yes I a phantom concerning any
anywhere

H2

Well of all the dreams will have my
congregations say to see if revealed I
wonder what Pine needs me quit those
rare bits

MURDER - at the lodge

H2

You borrowed 30 cents for me ten
years ago I have waited long enough
for its return now it's you

H1

Hello purse see how much did of it I
use?

H2

you used much how still counting it
ain'tcha?

H1

More nice take back and Mac and
man and that, and that again. and gat.
gat. and gat.

G1 + G2

Who shot you belly tell us who shot you

H2

no bother me and my private matter

W2

Remember some innocent man will
suffer for this unless you yield who was
tat did shot you

OO

hospital quick!

PP

Rest easy now it's steely oomed next to
us those of us who knew Diaz drove
herself crazy.

H2

Never mind about me it's my finish, i
want on one is a cigarette

DJ

The missile entered his body between
the third and forth and fifth and allswell
in the back a journalist was launched in
the blouses of the grammarian wolf
woman rider.

PP

I think you'll find the bullet in his ass.
Hold his feet finer founded in his ass
said Scott clueless

OO

show it!

PP

reading the pretty damn minutes to
send out the minutes of the last meeting
full of minutes as a toast like this lecture,
like a public announcement system.

DJ

through the neck the caliber is as your lack of skill shows what was wrong was wrong

W1

Hi Harold now Harold you are going to crow to this man shoot you all the way through

H2

Hello perceive you on my friend he shot me and I love you for it coming kiss me have won her mother to send you fruit cake for Christmas to let those nasty police for you you did something that should have been done on.

H1

I needed you fundamentally my clothes wanted to wear you in some good to me

H2

Hello perceive! You on my friend to. You shot me who are low before it. Coming kiss me. Have wired mother to send you have double fruit cake for Christmas. Don't let those nasty police bore you. You did something that should have been done long ago. I needed it. You'll find a medal in my clothes. How one you to where you have been so good to the family business

H1

While that settles it I'm done the man who told me will truly a bit was a harmless dish is a liner.

W2

I will never read another massive cheese melt it fries stuff to deathblow what a dream on I quit these rear bits.

GRAMMAR GRADE - at home

W2

did you grade it? how'd i do?

W1

no i didn't grade it. (papers flying)
here i'll do it now.

W2

you made the key?

W1

i wrote the test! (pausing)
first page is fine.

W2

good.

W1

second page - oh! missed one.

W2

which one?

W1

and the third page, mmm

W2

it's fine.

W1

mm no. oh! missed another!

W2

two.

W1

two out of eighteen.

W2

so that's what?

W1

an 89.

W2

(angry) let me see it!

MEAT INSPECTOR - in the forest

PP

ambition of my life is about to be realized to be a Mission Mary yes to teach the heathen, to help the savage, to help scatter the mighty lightning among those no civilized people that you are here

DJ

You are mine need you on mind you belong to me you my Main meal ticket

PP

a moment mister heavenly mean.

DJ

you belong to me you my Main meal ticket

PP

hold a minute do you know what is in store for I shall not to detain a minute you was being you

DJ

hold your tongue about that old man i am the meat inspector and a little confidence used desire down the bottom butt Juan immediately come with me

CB

I'll give you 8 cents a pound

BT

awful tough on the chew, no give you more than 9 cents a pound

CB

I want him now not for me

BT

Could go for one of those cheap boarding houses

CB

Say this old carcass been blowing for
five hours and much tough still too high
the office sold another one line go
elsewhere to eat, he's too tough on
dem gums

BT

say Server, those guys are tired waiting
they may move go where else unless
eat of my own stew them soon

W1

How long the wish bone

YO

How one waiting in some stuff

W1

Union dues are two months of greedy.
take away with anything we all aware I
ain't particular. Throw me some white
meat and some dark

BT

You have to take what ye get since the
meat trust control market that's hard to
get anything good man dating but it is
good man this man

W1

We're going elsewhere gone down the
LAWN ((laa - ohn)).

YO

we pay you good money and in return
a few solid hard shells of fleshy
influence no no more for us we won't
stand for it.

BT

Have done my best it's the meat trust
him not me

H2

What every day to this dream on rare
that sometimes well I should be
ashamed to relate that to forget it yes
forget it I quit those rear bits too.

GREENHAIR - at home

H2

All my precious little dahlface sweet
face Pat my lovely clean my own my all
my white feet dear how I love you

W2

you big heart of friends I'd love you
more and more you my life I adore you
hunting my briefly hard some husband.
You are so kind to me I help but
worship such ideal sweetheart makes
me so half and half makes a hole to
know you love me so I love you more
than I can tell you my shoe rules I've
I've allies you might, but excuse me is
this hair on your...?

H2

half way error

W2

is this hair on your...?

H2

did who how did that come off?

W2

it is a hair, a long green line only you
use you have a hair.

H2

Delete halt Hello Deary Gee read out
read it out take a paralyzed both that I
don't know how. i need it now i will
take for you this paralyzed oath, rise
the right hand up i praise paralyzed.

W2

you do get out somewhere with a girl
who had green hair I'm sure hair

H2

Of all the peculiar things Peculiar things
peculiar pack goose pack use their
peak use like a goose their leader, a
liar actually hears things I've had not to
stand for I do not know why.

W2

why? 'cause you're on television

H2

but i'm not on television.

W2

You don't know IF things.

H2

You are innocent.

W2

You have the two face.

H2

What you think of this any get off with
me get it off of my coat

W2

asking me and I think you would rumor
around with it a while.

H2

Dahling what shall I do you for give give
me please forgive me

W2

I'm going away I'm going to kill myself
broken heart

H2

oh why a deed you did while you so
untrue and me, the deed.

OO

Effective immedium Welsh rare bits
without true meaning no way you do
you might stop being you've been
climbing and crying terrible stop it quit
for these while she please quit those
rare bits

HOTTIE - in the street

OO

I don't care if I live to 47 years of life
I'm tired. I'm gonna do you as the rest
of the girls : paint powdering pad and
see if I can catch a man and so much
more

CB

May I have the pleasure of being so
bold as to compliment you oh the honor
and duty. It may concern you I
introduce myself?

PP

They will be us pardon me, is this Lilly
trade pricey? You are very sleep
anyway and lookit my eye, very pricey,
sleepy too.

YO

As I was saying, creating I this here an
introduction. If you will permit me
amounts pronounced! Now as I was
about two paces away to remark I've
seen some beauties

PP

Allow me to please

CB

You in hand some missed creature I've
had the pleasure of seeing in all my
travels

YO

Remark! simply mad over your striking
face and figure figured I'd do you one
word.

OO

give me one word at a time,
give me a word that i can see,
i need to understand,
don't give me poetry.

oh mama where are you going?
oh mama where are you going?
sit down and play me a tune on the
piana. sit down and play me a tune on
the piana. even though the pianO is out
of tune.

YO

If one grew beautiful lady delighted to
salute, may I have physique pleasure of
your acquaintance

PP

By Jay oh she's snappy

YO

On else feel you yet to

CB

She's certainly up teach

YO

It's in mind and its mine

PP

She's a dream

YO

I saw at first her, i saw her

CB

i saw first at her, mine she is.

OO

alone moving by doing feet, wait one
man and I wish to speak.

DJ

Land of goodness sake so long and oh I
was training I was dreaming Frank
gracious Hello Donald I'm so nervous
that whole read old rare unlikely
promise I quit those who read bits little
varmint those who read unlikely

FUNERAL - at the lodge

DJ

We'll remove the Verniform appendix I think firm it off of him. Yes his chances for life I don't think we'll no go though, will not go through.

BT

I think he's done for its too bad

DJ

Yes his pulses at a standstill chance he has had gone are dock he's hard as it is a rock. minders notify his widow from what I hear she will not be sorry he was a high liver

W1

oh why you die without leaving me even 5 cents I'm glad you got dead you let me an awful life, it was coming to you

DJ

It's too bad that he should go without some little preparation

BT

The boozes that he has put away would flow enough to float a ship

DJ

He's heavy is any ever heavier?

W1

oh make me forget him he is no good use, a brute many I love you Mannie, always have. I'll state more you come think of it. help me forget bastard bob here oh HE looks natural no wonder with that alcohol that's in 'em he is preservedly so.

PP

a blessing not only to his wife but to the whole community he was absolutely no good death was a blessing to his wife and to the whole community he was absolutely no good

DJ

He owed nothing to me but money he
owed me nothing but money. only
money but lots.

W1

Well last my hopes to realize he's
where he belongs with hopes he make
good fuel

CB

The fireman and I should build a
pyramid of stone on his grave creative
and bigger than the she- yachts of
Egypt or he'll come back

PP

Dust and dust thus pre-requisitely
recreate scan of his face two fold

OO

Oh for land living what ails you now are
you - the daddy damn feet from a few
feet from him now

H2

Hello Mario be good I'll be good of
shots it's a dream good idea at cheese
pie last night with rare dates it's what it
true meaning I'm certain to quit those
rare Bates.

ELECTRIC BLUE - in the forest

H2

to the electric blue bikini-clad bag lady's
surprise mud boy had the wet wet
wettest of eyes faintly he puffed out the
faintest of sighs cuz his soul shell was
worn through and torn he bled the
bioluminescent red faintly he whispered
gawdy gawd damn he wished he was
dead

W2

then fed to the barkless dingo pompano
where'd she go oh the barkless dingo
pompano where'd she go? carried to
be ferried to the serenghetti where he
could be buried in his ponchafonzarelli
biker jacket

H2

cut the racket

CB

she pursed her luminescent lips blew
mudboy a kiss from her fingertips when
you come in the boxing ring ding ding
dong round wrong. when you come in
the boxing ring ding ding dong round
wrong

DOGPARK - in the forest

CB

tchk tchk, here we go here we go

OO

rff

CB

that's it. ok. good girl. ok.

OO

rff rff

CB

there we go oh no thru the fence. what
luck. i can just - let's see.
using my wrist as a support off this
rebar bar to go far
i can just JUMP! (jumps)

OO

rff rff rff

CB

just sort uh vaulted right over didn't uh
aw hell!

OO
rff rff

CB
now i'm uphill.

OO
rff

CB
i'm coming i'm coming, just got to oh!
fuck. oh!

OO
rff rff

CB
that was... aw hell just awful.
i can't make a fist cuz of my wrist.

OO
rff rff rff

CB
heh hey. come 'ere. come 'ere. drop
it. drop it.

OO
rff rff

CB
oh you run so fast.

OO
rff oh oh oh ah

CB
i can't turn back, i want you to come
back.

OO
i am feeling out of whack.

CB
my gums are bleeding rum mm my mom
she said to me

OO

that boy will always be climbing up that
tree and

CB

looking so damn dumb.

BUILDINGBUILDINGS - in forest

CB

(in the tree) i am excited extra so so
excited for what this might mean to you
and me. i am really really looking
forward to this this this will be a big
night for me is faster than a tall building,
more powerful than a speeding
building. able to be building buildings i
adore i love building buildings i zzadore
i love building buildings i know you are
what i adore i love building buildings

YO

i'm an ocean

CB

you're a forest

YO

love me love me stay above

CB

i'm a steam shovel

YO

you're a belt loop

CB

misunderstood in my green hood

YO

i know you are what i adore i love
building buildings. mister oh mister oh
are you alright?

CB

i feel your skin honey you are on fire
since i have given you what you desire

YO

i did not know there was a mess came
from the wrong side of town i guess.

OO

what about mister heavenly? does she
exist inside of me?

ONSTAGE - in the theater

OO

I suppose you heard about my decision
I am sure yes I'm just as young is any
event and I'm going truly to GO ON
STAGE now!

YO

grandma listening me your too old to
go on the stage please don't.
Remember your age, remember you
fine family, even your station in life. I'd
bet the ground I get you don't do it. oh
grandma Don except it please don't,
please me for it.

OO

Yes sir am sure make a big hit balls
stormy York new ever oh!

YO

Tuesday on hand at the opera house
tonight your boat for this season do
disappointments

OO

((warming up)) do not disappoint this
boat to Boca boat bold bulky Bill, but
but I bought by Bob but by that baby
that he backed the back into the back
and the back to the bad about the
better debate don't build Boeing can
be stricter out among them by the bond
bond and bond bond fund them than be
bothered about but the other the other
the other the pond pumpkin to the

banks to have the Donna smile. she
been so kind of us and the end of this to
us can't take make time from from from
from time from from from time from
give it from from from time from time
the earliest earlier low led to cut to cut
cut off all alligator had a nation neither
not holiday at 88 had an ad I can put
an elite they landed

OO + G2

I am not Jay to change a jet check
checked to four to try to check
trajectory to check sent to change that
changing sent to check sent sentencing
that changing to send the Czech check
to check to check on the moment pan
pan come into the banks to have to be
you in an imminent from them to make
time come from time time from I have
had to promote the chicks sent to chat
check on them one more slow lofty.

OO + G1

Do get beat. don't deny Donna.
brought down old baby double double
that will double level double the double
the bill legally believe the beginning
going to negative people believe of
people even being believed legal shrink
from phone fraud for free from from
she she had a goat good that we will
go get that included more won't go get
good can came both black can do you
can do and demand here he haunt
haunt Hello here have holy haunt Hello
Claude Hello here here have had no
home to hold the holy. don't deny it
Donna Donna died double double that
will double level double but legally do
believe in the beginning people believe
people even I beat burned back for
free from from she had a goat would
want to get that included. you can do it
demand to hide the holy haunt Hello
Claude Hello Helen called to get you
can do you were traded included you
can do it free from the trackball free
from the bird the birdfraud he believed

I beat the leaves legal committing fraud
they do want to goat would do to get
the bill would do to want to get that
included you want to get that included a
few can do that demand demand that
you demanded yes you are entitled to
all that should be.

OO

Now there is no reason for you carry
on, my face my spacebook is my red
face. Wait to you see be surprised.

YO

think of the large family, grandma of
stopping, please think of it. Here comes
the poor old fairy long to think that I
must say look at my poor old
grandmother.

G1 + G2

Here she comes home here she comes
the ferry here comes the ferry the old
FAIRY! Here comes the length.

OO

(finally on stage) Hello Dahling

PP

To the Woods

DJ

Its mind I sought first, i saw it first it is
mine all mine!

PP

You're a tad

DJ

She ate Vintage of 76

OO

oh I feel so happy I can throw myself
away yet you

YO

grandpa will turn over in his grave and
starting humping mud. he be thumping
mad, oh to think

OO

I feel as happy as a big sunflower
wrapped in some flowers

YO

oh what shall I do it for if her children
only knew I am going mad I must
protest

OO

were you calling me? had this actor
received Hector Mr. Hector

YO

No grandma I was training I was
dreaming guess I'm alright

OO

awaken! awaken!

W1

ate some rare bits last night and I
presume I was having a nightmare
much of it blind each gram on go
grandma back here that it is clear I'm
all right a minute to mayor, i must quite
for those melted cheese rear dets.

MONSTROSITY - in the forest

W1

Only duty when you get him he is justice
in short sleeves is he can be doesn't it
work out cute

H1

just as sweet as can be present you let
cute all over town would ever see I can
fold blood.

W1

He ate it all though the ploy is in, he ate
all the poison, poisoned.

H1

Do lookit what a shame he looks so careful

W1

He looks so clean it's too bad you can't kill him. try and brain him. If you could do his brain while asleep oh I hate the sea and suffer poor thing so careful

H1

I'll kill on him some more, needs to rest a ways yet he's too lazy to die so careful

W1

Poor fellow he just doesn't understand his bad Constitution. Let the poor thing LIVE! he can't help that where he does a time dynamite wasted

H2

i never was busier oh my life is no use talking about a nice big fat rare date can make one dream I am so tired will I be learning to need be quick to quit those rare Gates?

TARDY - at home

H2

my dear unlawful sorrow and so late but really the cars were blocked

W2

See dear just because I married you and our honeymoon is but the gold one day old you needn't think you can come home

H2

We ate weight. wait!

W2

At 10.30 and give me any old song and
dance not me you can't slop me off not
firm one minute I'm not the sack paid
you said the sad sack you think that and
you understand who is sacked.

H2

break But let me explain just every
trillion year miserable carcass not
wanted stands for you are up but
against the we will deal, let up a
minute. Let up a minute my not tell
you... hold on!

W2

you are up against the real thing now
me sitting here waiting dumb like you
and only made a week off show you a
trick right in.

H2

Often really you have if you and this
chicken on less to be easy ones can
hear me Mrs. demonize the floor thy
will have done us down for fair if you
will Ford what I invented do with you
you you

W2

Own dear what I dream I wonder if
those rare bits dreams ever turn out
true out clean out quit even you bet

H2

i'll quit the team of them get by

W2

How quick yet you bet

H2

while can back to you can bet I'll quit
ain't them yet

INDIAN - in the street

H2

mother and law is holy to heir of her
own hair to be well i hold a cigar four-
day if I can

CB

Hello Darlene one I love you every time
you go by here I case you you in your
love the face I crave

OO

Well if there ain't my son in law, I'll let
my daughter hear of this the end of this
beginning disturbance

W2

Quiet by the lies you by love you buy
and glory and sweet one

OO

Yes your husband and a wooden cigar
Indian play on your things and out take
you write to where they are convinced
become hindrances becoming
beginning disturbances rubbing public

CB

Want to pet?

W2

What to? My husband making love to a
cigar store Indian? Old wooden Indian
sign? oh mother are you surely crystal
clear here?

OO

How you see it now you see it highly is
it? Are you convinced?

CB

oh my precious sweetheart, let us fly
from here

BT

There's a couple of people piping you
you better break away so neat about it

PP

I grant your wife absolute divorce and
five thousand dollars a minute alimony
money fer dat

CB

can I love still as much as ever

H1

5000 a minute I must be dreaming to
go out five thousand dollars from minute
I was true well the rare rates will make
you train but what's the difference there
could I wonder what time it is I've their
promise myself to quit those rare Bates
awhile

BOUTIQUE - at the lodge

H1

I want to buy any seat of clothes I want
to buy news clothes in a hurry and hard
to fit as I have fits occasionally of a
convulsive feet

BT

((speaking to himself)) course she was
on set and just refusing to wear panties
and she would climb the ladder
everyday up into the life raft up into the
life raft refusing to wear panties just
refusing to wear them panties and so
the crew complained best they could
but Hitchcock ol' cocky Hitch himself
rubbed his belly and said in a british
accent i presume something like "i can't
decide if that would be a problem for
wardrobe or hairdressing."

H1

but you can hear no? I say salesman! I
want to buy any seat of clothes I want
to buy news clothes in a hurry and hard
to fit as I have fits occasionally of a
convulsive feets

BT

Leave that to me let me figure you out
OK

H1

Pay no attention to my misfortune of
one of light suede for spring, little miss
honey please get off my blue blue
beelue leather quivver of arrows.

BT

You have changed since you up you are
up considerably taller

W1

need something serviceable to wear
along about 30 \$35 \$440 dollars, oh
I'm in a hurry way lay it on me quick

BT

I can give you have anything you want
to what kind of fate did you call this
taste for the fall is feathers all feathers
this fall.

W1

I don't believe you've got what I want I
can't wait much longer get busy hurry

BT

If you will tell me what you want, surely
it comes to you please your dreams

W1

I don't like the thing you have shown me
yet, show me something I don't like
what you have shown me show me
something

BT

Have you like this?

H1

it is all outrage!

BT

Have you like this?

H1

it is an outrage!

BT

us having you got the goods what's the trouble I've got the goods but it's the size at all the fit the whole feet the fit the footage out all I know how I feel you why you have fates these fits you have these fits I do not know how to fit you I've got the goods but it's the size of fate the whole fit after feel that I you want to have those fates fees fits my fit side do not know how to feed goods I have to fit the feel fits the good size

H1

I think you're an horrible Palm salesman I think your own sales and you are a bad salesman bone terrible terrible salesman bombed it out in a bad sale

BT

Get together and healthy you but I came to help get together

H1

i'll go somewhere else where they have intelligent clerks

BT

I'm done for I'll be discharged oh what horrible life

PP

That's what toasted cheese in rear bits will do you to you that was a peak show that dream black but his allies fits what dream that was fierce that's what toasted cheese and greater that's what do you to you my promise to quit those rare its

RUBBERS - in the street

PP

well now if that's my luck when i left my
rubbers at the office betted I did forget
my head if it wasn't fastened to me.
confound! I'll just go back after them I
just simply can't go without rubbers this
kind of feathery weather. Broadway
for me quick!

YO

say boss forgot something having you

PP

I should say I have its any of your
business going if you object

OO

You forgot something have you?

PP

Yes my runners I left them at the office
gone after them

G1 + G2

What you people rubberneck new ever
see anyone before missingpants so ob

OO

You for something Powell do you

PP

Yes I forgot my rubbers not what
business is that you stun me you do
Hello Melody sell for you bugs be
totally bugs I know men do look
yourself and bugs yes I forgot my
robbers and what business is it of yours
to make William rubbers from well over
the leverage for which readers of
rubbers will reverse rivers readers
readers reading reading read read
read retrieve recreate reading I was
merely going to my office to get my
pantaloon rubber

CB

Well I see the squirrels have got to him
morning earlier eh?

OO

When I see got to stop eating fried
cheese maries it's much as I love 'em all
that was an awful dream oh I must quit
rare Bates

WORKING LATE - at the office

OO

working late about a half past eight
secretary disappeared i feared for my
life would never be the same, rifle's not
my favorite game. knock knock at the
office door cowgirl boot shadows
spread cross the floor so glad i recently
installed poison dart defense
mechanism in the wall, welcomed her
in. she said her name was loretta lynn,
lovely loretta lynn.

PP

limpin' away from the bite size hand me
down suicide sunshine it warms the
ground mister circle's such a square
scare taxi driver didn't notice we were
there until she cleared her throat, sang
this note

DJ

swerving from the deuce court please
could you take me to the local airport
sport scent deodorized the air taxi
driver lady wore an orange ribbon in
her hair, i read her registration. said
her name it was loretta, lovely loretta
lynn. lovely loretta lynn. i saw her face
it was loretta, lovely loretta lynngua rff
rff ffraanca.

SENATOR - at the lodge

DJ

you must not walk here.
the dogs are too fierce.

W1

what do you mean the dogs are too
fierce that's the very faith wall, quickly
walk out quickly they walk out quickly

DJ

quickly do you brain?

W1

can mean banning like banning

DJ

quickly do you brain?

W1

can mean banning like banning like
what would you what do you think I am

DJ

I have tried to do here on this trying to
train get done get to eight get done
very disappointing, it was very
disappointing all the people to be
listening of strange minced rare bits

W1

sometimes with melted cheese

PP

slaves go forth and bring me gold solicit
all my people and remember your
lordmaster needs all of the monies that
are collected bringing millions or you to
the lions!

W1

hurry I must feast yes I must feast

PP

My wives must obey me or go to the
arena to the lions with you! I fed 26 of
the older ones to the lion yesterday. I
want bad skrawn skrawn guy taken out

of there found a little sorrow over fed particular to lions. I am tired of these tame affairs, My mother in law has seen fit to cause my displeasure I want you to take her to Cory quarry and have him server with some fresh crossing acid at once.

W1

be gone bullish one be gone foolish one

DJ

Say Senator, I'm tired of this low life and I am disgusted with your entertainment. I'm going to set you on fire and pay the bill while she earns let's say

PP

I think you gone bug house. Can you even play fatal? you can't play a fiddle can you play the Federal fiddle, I think you're -

DJ

Once if you Senator boat boat quit. don't follow up

PP

You make me weary be shown you think you are opening European below you make me read you you think you are, you're out .

YO

I believe I hear the rounds men well I had a nice little nap anyway if I did have a nightmare that fried cheesy is awful and I'll stop with the rare bits, promise.

STREETCAR - in the street

YO

that's only a bald dog do you ever doll
you ever doll me at an ambulance right

OO

What did the hit?

CB

A hair cut that out you hear

YO

Ain't that great one a street car flying
I'll show a how I can hit a stone building
all to Snap it be to watch this shopping
crowd oh Here hear the bones
cracking like crayons be can me hear
the bones cracking Canyon be

H2

Well fell last Friday she's into rare dates
which I eat they help feed me last one
highly those rare gets what a dream I
wonder what time it is promise this is
last of the rear dates for me

LODGE - at home

H2

Now I've told you the whole thing from
when I entered the lodge until I came
out don't you tell a soul

W2

oh I would not tell a lodge secret for
anything it's too dangerous

W1

Joan you tell them my hubby told me all
his lodge secrets he took though you
would not tell.

W2

I'll tell you that don't ever tell

W1

He told you all solid old secrets of his lodge I love to hear them know on it, i not tell

W2

mad my dear sisters of our women's club in my attack on secret societies. one shot tell you what happened to Mr. damn during his initiation to you you have few lodge he told all to his wife and she told me so I shall have the facts.

H2

Well my brothers! what can I do for you might be why you here.

G1 + G2

why brother we want to decorate you you come down to the lodge a little while tonight. He's ready! apply a tart, but slide the tar, apply it hot!

BT

Get feathers ready, this fall my this is hot my dear brother, hot.

PP

Run right along now to your wife now you may go to your home and tell about her the fine feather degree line you LINER!

BT

one wide devil of the age you tell those lodge secrets for

H2

I was up draining ideas without yelling Daniel I'm so sorry i'm saying so.

OO

I should say so I told you that rare they would do it for you you need to quit those rare bets

PEDESTRIAN - in the street

OO

why i try to cross it on my own i will be
one who used brown would you be
done should we have water go cold on
balance of one use the Street longer
not to cross say you don't cross see
what you've done.

CB

they come back here and pay for this
rude ridiculous route report!

OO

hold on you full can fix you which way
do anyway I got as much right here as
he has terrible hurries I wonder that's
Broadway begun she to the other side
of it while one to ball someone hears
the Street long enough to cross the say
you don't see what you done.

CB

Come back here and pay for this or I'll
report say you've Don Carlos see what
you've done pay come back here and
pay for this Blot I'll report here hold on
blame

OO

the fool anybody got done a new way
to lie up, fix you up weighty anywhere I
doubt as much right here as he has as
he's in terrible hurries I wonder well I
believe I've seen my finish at last Hello
Mary you are bunk.

CB

let his home from you highly no more
rather its own rabbits among the soon
to bed. i quit dese rear bates now!
need to be careful with WHAT one eats
and also with WHEN one eats it.

BATHTUB - at home

CB

If there's anything I do like light hits a nice half ass, this is a great act stay here all day when I get rich I shall have a large house where by not seeing things one little they get away from here you wear that this is a good thing I should say not at all.

OO

off the perch what you try on me anyway away from come come give out that one blazes what'n the blazes is that plot what is this scheme you can monkey with me out the theatre that's all I don't propose to stand for this I'll hold on just you stay right where you are. no cheap funny business. i need help murder police police help me merit the lending yellow lending debt relief to the broad abroad. get away getaway out on bread.

YO

I want bread.

DJ

This is awful someone quick dreamed of silence of I'll bet they hurt me oh that was a peach no more rare dates for me No more rare dates for me Bates bait me they did i quit these rare its.

HAIRFACE - at home

PP

great snakes!

W2

what shall I do its common!

DJ

All I've tried a thousand remedies that got no relief

OO

I wondered will this grow any hair well
here goes anyway it will not kill me. I
guess in my decent good say! it looks
like business now get busy, and I say I
admire there it is coming certainly as
fast and strong as only one dropping
down on water I use this stuff for off
raw hair sprouts!

PP

great snakes!

W2

what shall I do its common!

OO

faster than it could be cut off oh the
United Stee-ates scissors foundry

DJ

Dear amazing Jensen is the missing
alliance as though the sheet will cost
you

W2

a brazilian bugle boy, a spanish sailor
and a monotone mexican walk into a
hotel. the brazilian and the spanish
person move along without report (in
fact they get their room keys and
headed down to the poolside cabana
bar and ordered vigorouS mojitos) but
Mannie, as the monotone mexican was
known in this neck of the woods,
Mannie says to the bartender... you ask
me what kind of sheet i want on my
bed? what kind of sheet? i tell you
once and only once, if you sheet on my
bed i will kill you!

YO

oh well it was in such a bad game after
all that means higher with melted
cheese does some funny things if you
but I'm done no more for me, quick
those rare its Bates it's all done, no
more!

FRAMING - in the forest

YO
and hast thou slain

PP
jaaaah raaahstafari

YO
show me emotion, tra la la
come on show me emotion. no like it is
it is really great resumé-wise

ACT TWO - in the theater

CB
here's where I stalled and cut the sound
tonight I have but I see the manager
taking a looksee. the five feel. I put a
little ginger in my work tonight he's not
been seen here so often goes German
wonder wins can give me time.

W1
can park me promised me lawful to
ride this part unlawful tired of this part
to thunk's have a diploma from the
School of trauma.

CB
do this done here for tanning cakes per
form and content over and over till it'll
be over very soon on her knee on one I
want I went right by all alone as a show
this act is going away push.

W1
there's no mandate girls outside waiting
for me for me outside the theater with
perspiration oh with perspiration though
I'm awake with perspiration oh what a
confounded dream that rare tet that
did it did that while I promise now I quit
those damn rare BITS.

end.
